As our high school days come to an end, we look to the possibilities of the future. Whether we plan to further our education or immediately begin a career in business, we all anticipate the changes the future will bring. Though we all look forward to our new lives, we will never forget our memorable years at Rome Free Academy. Three short years ago we entered R.F.A. as untried sophomores. With typical sophomore enthusiasm we decorated the school at Christmas time. Our other main activity, the Sophomore Hop, came and went, receiving the usual response, and we became firmly established in our new school.

Our junior year was a rewarding one. Our prom, "The Days of Wine and Roses", was a beautiful success. Later we and our caterpillar emerged victorious in the snow sculpture contest. Though we thoroughly enjoyed it all, our junior year was filled with many difficulties such as the PSAT, the SAT, and the Merit Scholarship exam. The year was happily climaxed, though, when we received our handsome rings. Our last year has been, by far, the most exciting. One remarkable event has lead to another: our undefeated football team, the Regents Scholarship Examination, our senior play—**The Ghostess with the Mostess**—college applications and job interviews, more college boards, winter weekend, and finally our senior ball. Surely our senior year has been an appropriate finish to our high school career, but as we look around us, we realize that the times they are a changin'.

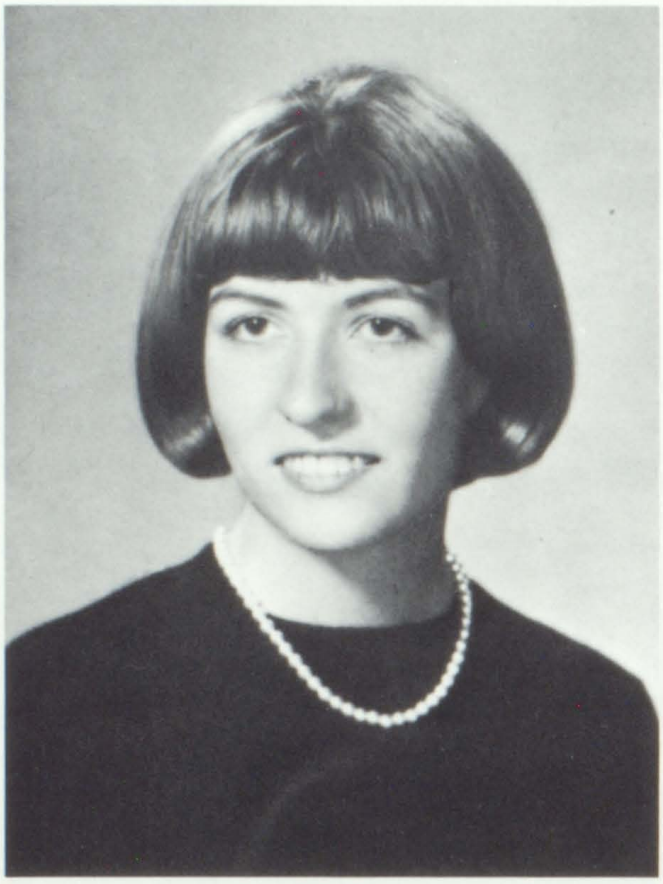
STUDENT LIFE

Valedictorian



The Valedictorian of the class of 1968 will have left her mark by compiling one of the highest final averages ever at RFA. This year Linda Kanwischer with a 97.07 average has reason to be proud. Along with plenty of schoolwork she has found time for **De-O-Wain-Sta,** Honor Society, Colgate Seminar—only a few among many. She also has won a Letter of Commendation.

With an average high enough to be Valedictorian for most other years, Roberta Quance has been named this year's Salutatorian. Roberta also participated in many of the school programs including Honor Society and **Rostra,** and still earned a 96.82 average. No doubt she will carry this success throughout her life.

Neither Linda nor Roberta could ever be completely rewarded for their efforts except through the honors they have brought to themselves, their class, and their school.

Salutatorian

Honor Society

Scholarship, leadership, character, and service are four qualities that are strong factors in the evaluation of students nominated to Rome Free Academy's chapter of the National Honor Society. Only five per cent of the junior class and fifteen percent of the senior class are eligible to be chosen as novitiates to the society each year. Their induction ceremony, held in March, is organized by Honor Society officers, President Paul Link, Vice-President Ted Lenio, and Secretary-Treasurer Linda Kanwischer, and is conducted by present Honor Society members.

Regents

Johanna Knoblauch

This marks the eighth consecutive year that R.F.A. has had more Regents Scholarships than any other school in Oneida County. The Class of '68 proudly announces its fifty-eight Scholarship winners.

Johanna Knoblauch placed first and Judy Eannarino second in the County. Congratulations! Special congratulations to Johanna Knoblauch, who also placed second in the state!

Students' abilities are tested in English, scoial studies, science, mathematics, art, and music. The exam requires a full day for its administration.

Letters Of Commendation

Each February the National Merit Corporation administers a test to college-bound juniors. Sixteen students scored high enough to be awarded a Letter of Commendation. The test itself is extremely difficult, and to earn a high score is a great achievement.

Those who score even higher are semi-finalists. This year the class of 1968 is very proud to have four semi-finalists, a new record for R.F.A.

Ron Sapieszko, Johanna Knoblauch, Judith Brooks, Joe Ernenwein.

Colgate Seminar

Row 1: J. Knoblauch, A. Pomilio, K. Nelson, J. Rutz, C. Surace, B. Lowerre, S. Bara, J. Lewis, K. Campanella. **Row 2:** J. Grisham, L. Emison, P. Jude, L. Pascucci, J. Brooks, J. Eannarino, R. Tanner, S. Meier, P. Cataldo, K. Bacher, W. Kulecz, A. Peel, S. Sislo, J. Frohlich, J. Ernenwein, T. Diviak. **Row 5:** K. O'Connell, F. DiBerardino, M. Evans, G. Minkiewicz, R. Sapieszko, J. Stahl, H. Adolfi, K. Rankin, T. Rakowski, M. Shearer, P. Wright.

Every year 50 students from R.F.A. and students from other area high schools are selected according to academic achievement to take part in the Colgate Seminar. Beginning in October, professors from Colgate University, Hamilton College, and Utica College come to R.F.A. on alternate Mondays to give lectures to these students. For the final lecture the students met at Colgate University. The subjects include philosophy, psychology, mythology literature, politics, and various sciences.

The R.F.A. supervisor, Mr. Edward Ball, directed the R.F.A. delegation with the help of this year's officers: President—Ron Sapiezko, Vice President—John Kerwawycz, Secretary-Treasurer Carol Surace.

The purpose of the Colgate Seminar is to go beyond normal high school work and to introduce the student to college-level lectures.

Food for thought.

In previous years, students from different countries in the world have had the chance to spend one whole year in Rome Free Academy. This year I have had the advantage to be chosen to spend my year in R.F.A.

My native country is Morocco. The Kingdom of Morocco is located at the northwest corner of Africa and has the Atlantic Ocean on its west and the Mediterranean on its north. The capital of Morocco is Rabat.

Morocco regained its independence from France in 1956 under Mohammed V. The national language of Morocco is Arabic. Other languages spoken are French and Spanish. There is absolute freedom of religion in Morocco and the national religion is Islam.

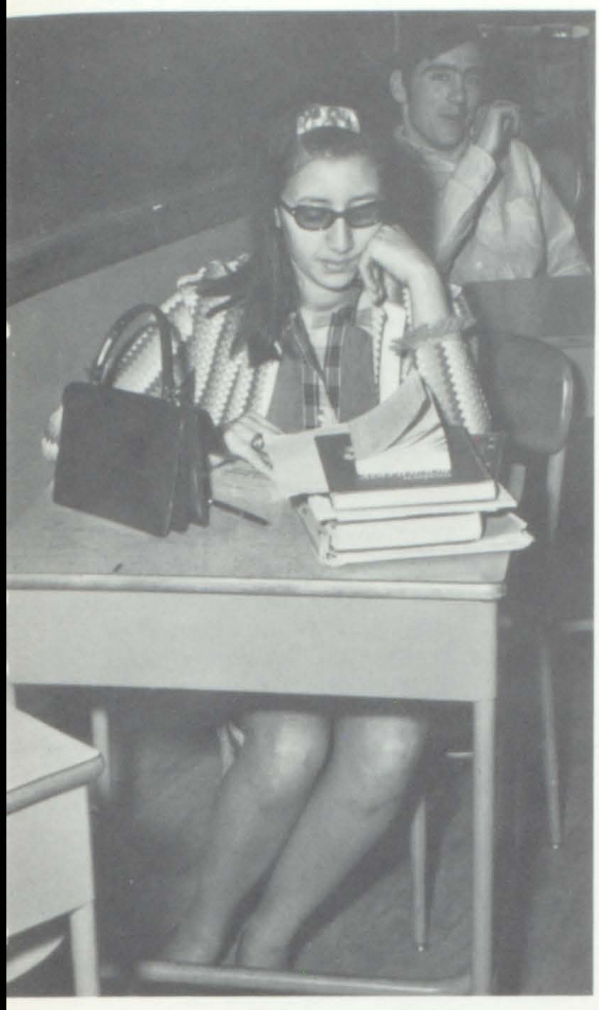
My country is different from the U.S. in several ways. I can't compare Morocco to the U.S. because they are the products of two different civilizations.

In Morocco I used to go to school in Rabat and I live in a village where my father is principal in a high school. The school system in Morocco is different from that in schools here. In Morocco we don't choose our subjects we want to study and we have more than five subjects.

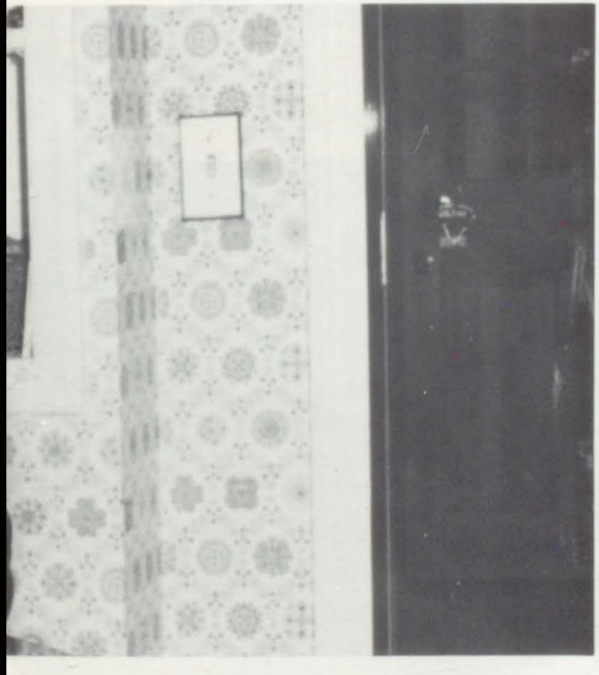
I have spent this wonderful year in Rome with the Jones family. I have had four sisters and one brother. I have been lucky to be able to fit in with a large family for I have at home eight sisters and three brothers.

I would not like to end without talking about football. I think football games are the most exciting games that I have ever seen. I have fit in the school spirit very quickly and with R.F.A.'S undefeated team you like football anyway!

I have enjoyed so many things during my stay in the U.S. and my stay has been so wonderful with the cooperation of the A.F.S. Chapter of the A.F.S. Club and of all of you at R.F.A. I would like to thank all of you who helped me to spend a year, one of which has been and will be the best in my life.



Kebira



Hullo everybody,

As your English American Field Service student I have spent a very happy six months at R.F.A. I arrived in Rome in mid-December on the "Late arrivals from the United Kingdom" program and ever since I have been busy making up for lost time in enjoying the joys of the "American way of life." Rome and Rome Free Academy are so very different from my home town and school. I live in a small village which consists of two shops, a church, a chapel, twenty-four houses and a school of which my father is the principal. This village is in the heart of the agricultural district known as the Fens. My school was four miles away in the nearest town, Wisbech. As it was an all female institution with 370 girls from the ages of 11 to 18, R.F.A. was a big big contrast. Wisbech itself is a small market town, not in the least "swinging" and I think I disappointed many people because I had not met or even seen our most famous exports, the Beatles. However, when in Rome, they say, do as the Romans do—so with fortitude I have called my torch a "flashlight" been driven about on the wrong (ie right) side of the road, eaten spaghetti without using my fingers and cheered on our Black Knights to victory. My stay here has been an unforgettable experience and I would like to thank all who have made it so. Unfortunately, I cannot end with a special message in my own language. Instead, I will quote the motto of the A.F.S. for this is the way we can truly make international differences smaller:

"Walk together
Talk together
On ye peoples of the earth
Then and only then shall ye have peace."

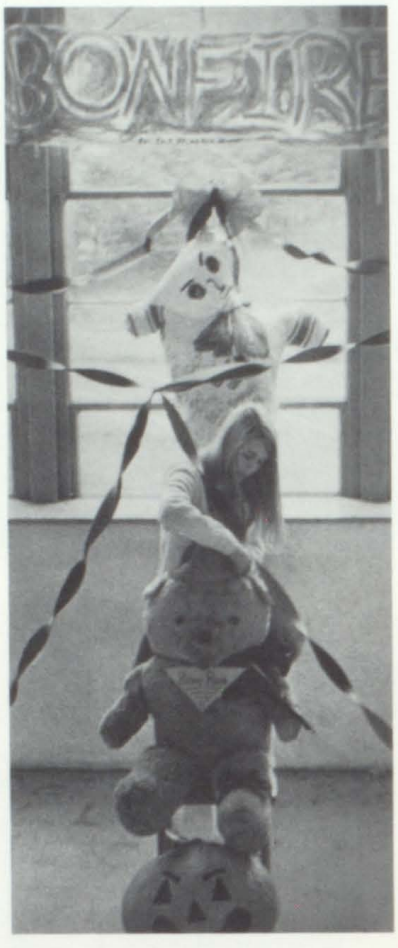
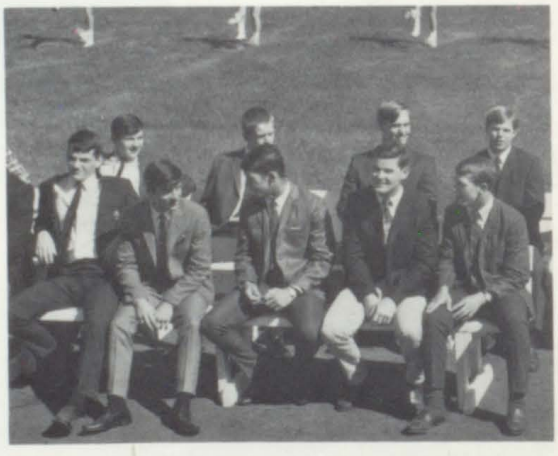
On Friday evening, November 17, members of the Senior Class demonstrated their acting ability in the greatest theatrical success of the year! The play was presented before a large crowd, and the actors received a standing ovation.

Aunt Polly's Frozen Goodies Plant was haunted in the greatest fashion—a great way to initiate Aunt Polly's new factory. The ghosts came back to entangle Aunt Polly in their wild schemes and the fulfillment of their curse to walk the earth until they learned understanding. The ghosts proved to be the most enjoyable ghosts that ever haunted any factory!

"Fight On For Her Fame"





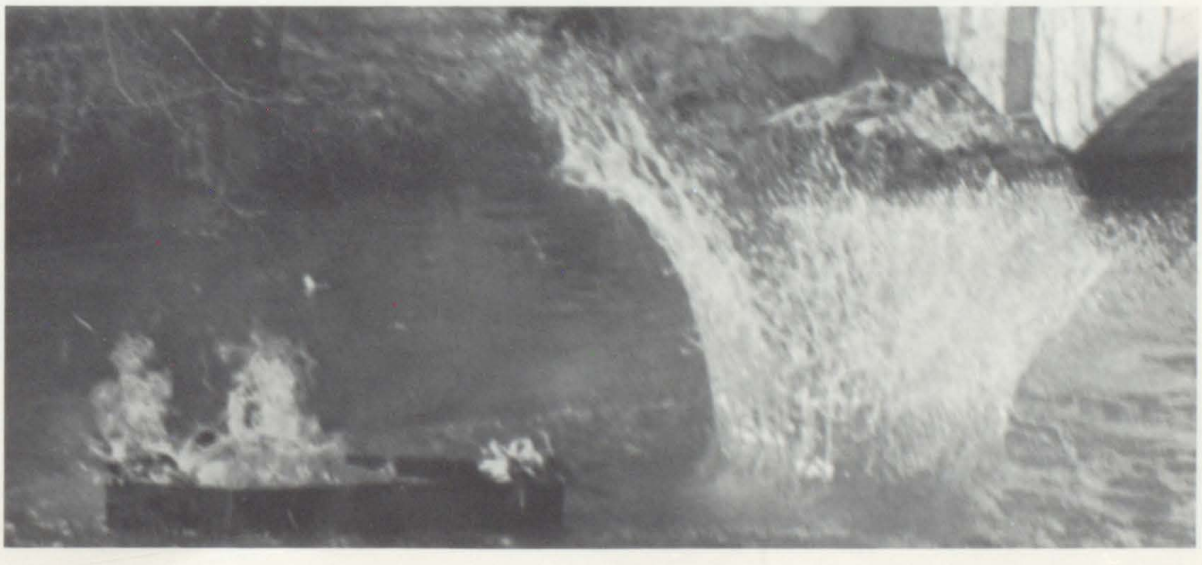
UFA Weekend

The weekend that R.F.A. plays its traditional football rival, U.F.A., is always one of the high points of the season. This year the weekend began on Friday night, October 27, with a mammoth bonfire. The football team and its coaches were introduced and its co-captains, Tom Rakowski and Marty Shearer, urged students to give their support. Unfortunately, the bonfire had to be cut short by the fire department due to a slight miscalculation which almost set the first 10 rows of stadium seats on fire.

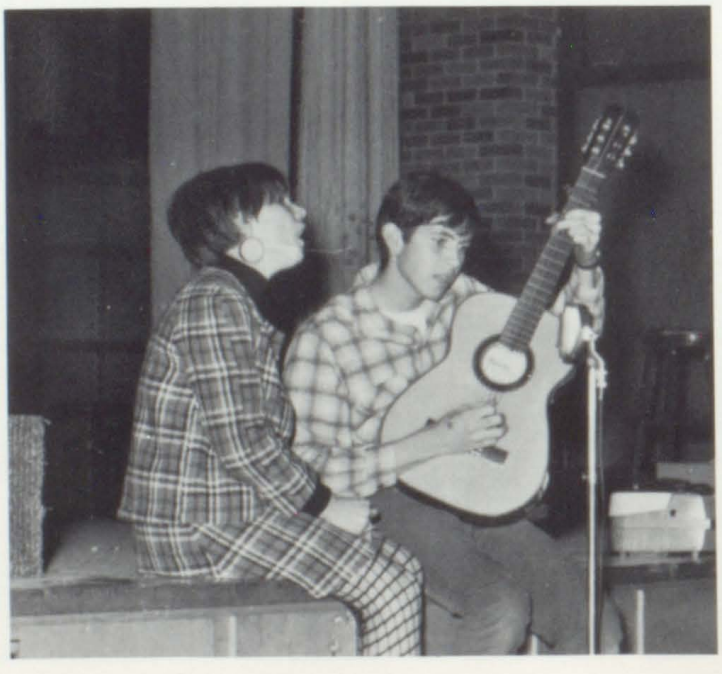
Saturday was a perfect, crisp fall day. Ten busloads of students, the team, and the band travelled to Utica to witness another slaughter. There were more RFA than UFA supporters as RFA rolled to a 52–0 victory.

School was dismissed early Monday for the burial of UFA in effigy. As Marty Shearer read the funeral service, Tom Rakowski and various other varsity football players doused the UFA dummy with gasoline, lit it, and bequeathed it and the RFA Great Pumpkin to the mighty Mohawk.

And So We Bequeath Their Bodies To The Deep . . .



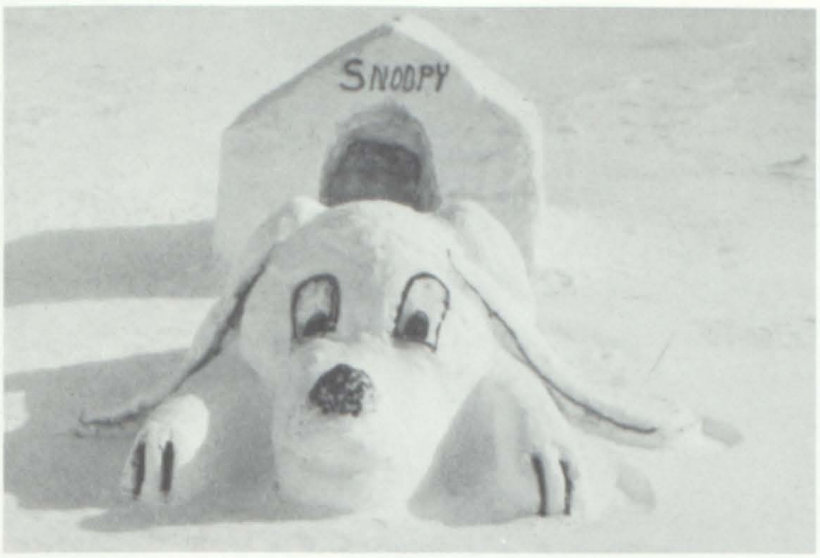
The Witching Hour



Among other innovations of the 1968 Talent Show, sponsored by the Junior Red Cross Club, were Sharron Porter and Candy Black as emcees. With Cindy Stannard directing and Mr. Grapensteter advising, the show gave two performances at R.F.A. on April 5 and 24, then traveled to the Rome Home, State School, and Veteran Administration Hospital in Syracuse.

Two extraordinary bands, the Rhubarb Excursion and Stained Glass, the veteran Dee Occhinero, giving her usual fine performance, and Roger Ferlo as an accompanist and solo pianist were just a few highlights of the 1968 Talent Show.

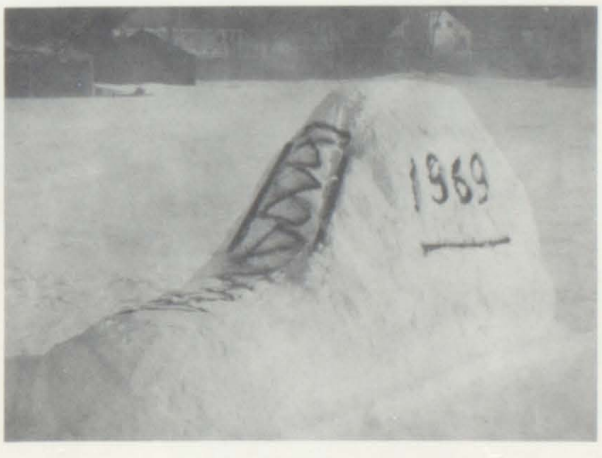
The Junior Red Cross Club donated the proceeds of the shows to the local Red Cross, American Field Service, and the R.F.A. library.



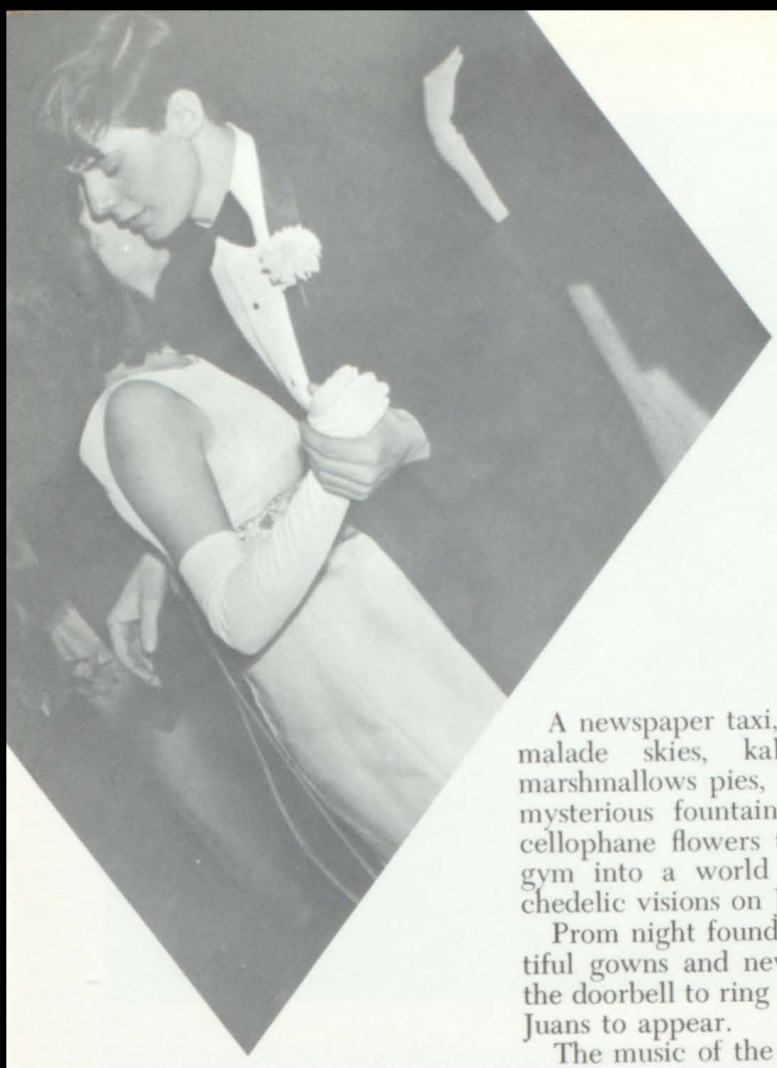
The date February 17, 1968 may mean nothing to some. To others, it may recall to mind the day of the biggest snow storm of the winter. But to the seniors, it means the day that their efforts resulted in the coveted first place of the snow sculpture contest sponsored by Pep Club. The results were the Seniors' Snoopy, the Sophomores' elephant, and the Juniors' Ski boot. The judges were Mrs. Irene O'Shea, Mrs. Hubbell, and Mayor Valentine. Since the establishment of the snow sculpture contest, the Class of 1968 has been the only class to win two consecutive years in a row.

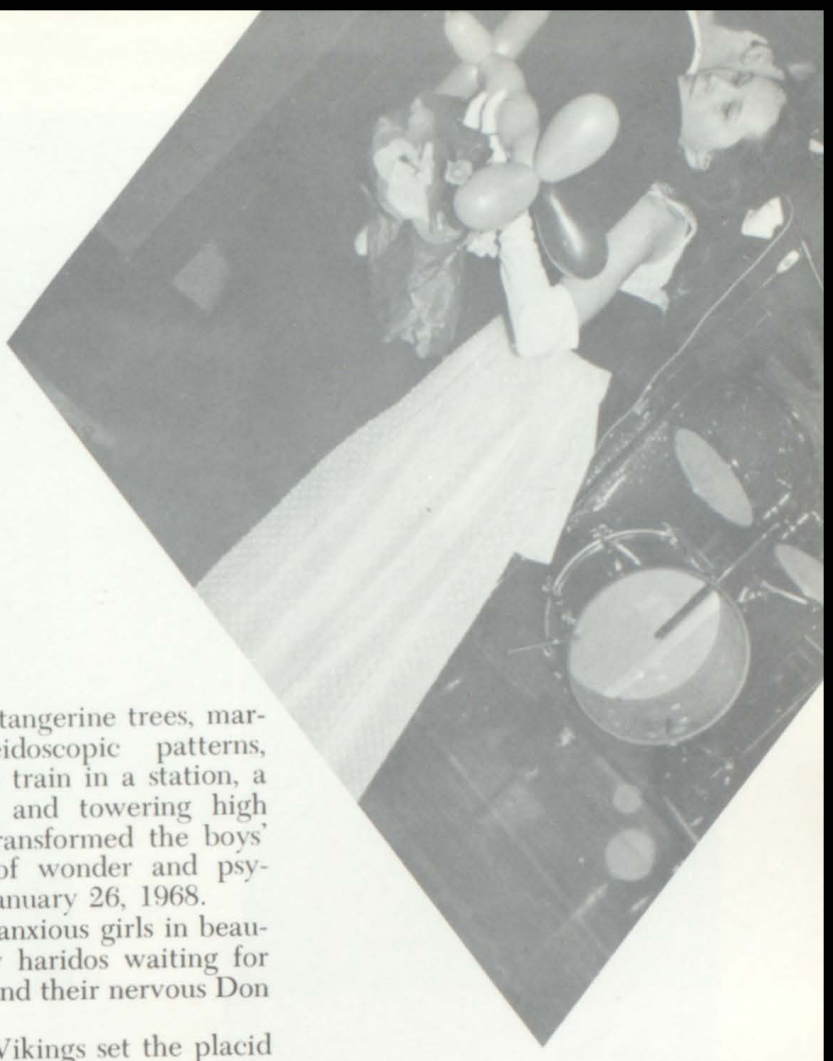
As it was, the snow sculpture contest was scheduled the previous week, but spring-liked conditions prevailed and caused its postponement until the following week. The dance went on as scheduled Saturday night, February 10, and featured the Galaxies.

Winterful Weekend



Sky Of Diamonds





A newspaper taxi, tangerine trees, marmalade skies, kaleidoscopic patterns, marshmallows pies, a train in a station, a mysterious fountain, and towering high cellophane flowers transformed the boys' gym into a world of wonder and psychedelic visions on January 26, 1968.

Prom night found anxious girls in beautiful gowns and new haridos waiting for the doorbell to ring and their nervous Don Juans to appear.

The music of the Vikings set the placid mood with Ann Boyd reigning as queen with her court, including Ceil La Monica, Patty Tardugno, Nancy DiMarco, and Libby Pritchard.

Beautiful flowers covered the gymnasium walls and psychedelic lighting pervaded the fantastical gym. The endeavorous and creative Mrs. Hubbel gave her time and patience to the many enthusiastic members of the Junior Class in order to create the fabulous decorations. It seemed like the mystery tour had just begun as the couples headed out through the doors and back to reality to climax the evening.

B.S.I. Press

This year, for the first time in thirty years, RFA's B.S.I. Press section published a newspaper. Susan Gohringer was the first editor of **The Echo,** Tom Bates was the Sports Editor, John Kerwawycz was the Club Editor, and Ron Conover and Paul Link were the Editorial Page Editors. The staff consisted of sixty students, each of whom was assigned certain duties.

Although the paper started out as a four-page edition, it was expanded to six pages. The monthly paper was concerned with the internal news of the school.

Mr. Lincoln Kan, faculty adviser of the newspaper, called his staff "The most cooperative and inspiring group of people that I've worked with. They are **The ECHO.**"

Rostra And Forum

Student expression and creativity are the artistic elements that provide articles, short stories, essays, poetry and book reviews for the school's literary magazine, **Rostra.** In its fourth year of publication, **Rostra** provides an opportunity for the students to develop a form of literature representative of their times. Under the direction of Mrs. Lynda Fenwick, co-editors Karen Markeloff and Roberta Quance head a staff forming the medium necessary for that literary development.

The Forum board, under the direction of Beth Lowerre and Dee Occhinero, displays articles on club activities, student opinions, cartoons, gossip and sports. The Forum board provides students with a means of airing their opinions through interviews, polls, and editorials.

Library Council members, under the direction of Mrs. Helen Arthur and Mrs. Marjorie Mortis, each work one studyhall a week in the library. They assist the librarians by covering books, shelving returned books, filing magazines, helping at the front desk, and doing any other necessary jobs. Maintaining the library would be almost impossible without the help of Library Council members.

In the fall, the following officers were elected: Lucy Emison and John Stahl, co-presidents; Dave Arthur, vice president; Natalie Austin, secretary; and Joan Rutz, treasurer.

For the Christmas season, the club gave red Christmas dolls to the children at the Rome Hospital. In the early spring, the club sent a chest of supplies for the needy. To finish the year, the club sponsored the Talent Show.

Service

American Field Service

This year RFA has been most fortunate to have two A.F.S. exchange students—Kebira Abdelmalki from Morrocco and Jill Angood from England. Both Kebira and Jill have brought us knowledge and friendship from their native countries. Their smiles have brightened the halls, and we will always remember them for their cherry hellos.

A.F.S. Club members have been active this year selling Christmas candles and surpassing all previous records in the A.F.S. fund drive.

This year's officers include Kathy Benson, president; Kevin Bacher, vice-president; Natalie Austin, secretary; and Kristin Waters, treasurer.

In addition to receiving exchange students, the club is represented by its own good-will ambassadors. Each year one or two candidates are selected in the hopes that they will have the opportunity to be an A.F.S'er abroad. Our A.F.S. representative was Frank DiBerardino, who spent the past summer in Heredia, Costa Rica. We have gained a broader outlook on Costa Rica due to Frank's trip and his memorable experiences as a member of a Costa Rican family. Frank's rewards from his summer in Costa Rica are evidence of the American Field Service motto: "Walk together, talk together, O ye peoples of the earth. Then, and only then, shall ye have peace."

A fond farewell to Frank.

Frank and his family at Las Playas de Coco.

Frank plays King in Costa Rica.

This year, under the guidance of Mr. Rudolf Schnackenberg, the RFA German Club enjoyed its first year of existence. In October, the club had its "Oktoberfest" which is representative of the famous Munich holiday tradition. During the Yuletide season, the German Club members went caroling at our local hospitals.

A bake sale, in conjunction with the RFA Spanish Club, was among the extra activities that the German Club undertook during its first year.

The officers of the German Club are Johanna Knoblauch—president, Karen Campanella—vice president, and Mike Sheppack—secretary-treasurer.

Stage And Projection Technicians

The Stage Technician and Projection Club is a valuable but often unrecognized service club of the school. Under the direction of Mr. Buchweitz, the club has the responsibility of operating the lighting, sound, and other equipment at assemblies. Their capable skills are proved by two of their major undertakings, the senior play and the talent show.

The club also serves through audio-visual assistance. Distribution of rented and purchased films, production of transparencies, and instruction in the operation of the equipment are all tasks performed. These students have all learned to operate the twenty-five different machines used, as well as to repair any damaged ones. These tasks, along with the handling and repairing of some seven hundred and fifty films per year, make this one of the busiest clubs in R.F.A.

To encourage students to appreciate the culture, language, and literature of ancient Greece and Rome is the goal of Latin Club. Majorettes Strut Again

Majorettes

This year's R.F.A. majorettes were considered the most outstanding ever seen by spectators of the undefeated football team. The new attire of the squads brightened the field with a dazzling array of colors. The hooded capes were added to complete the loyal-colored uniforms. The Junior Varsity squads remained in their traditional black uniforms with the orange frogs and braid, while the Varsity squad marched in their brilliant orange with white frogs and braid. The head majorette, Miss Debbie Del Nero, dressed in white, led the spectacular marching band directed by Mr. John A. Wise. The audience was captivated by the Varsity's demonstration of torch-light batons, and the Junior Varsity received a fine applause for their precision shaker routines.

Aquatics Club

"Brrr! It's cold!" "My hair is soaked!" "Oh, these suits!" These are just a few of the comments that frequently pass the lips of the 150 females of this club.

Monday and Wednesday after school the mermaids of RFA plunge into the pool to practice their skills in competitive swimming, synchronized demonstrations, or just for the fun of it. During the day, they help as pool assistants in the girls' swimming classes.

Mrs. Kay White and Miss Susan Luizzi advise the club headed by Ann Furiel. Ann Hearle is vice president, Terri Ryan is treasurer, and Kathy Benson is secretary.

Officiating Club

An invaluable aid to the girls' sports program, the Officiating Club of RFA is open to all interested girls. Through lecture sessions and by actual floor work, Miss Ruth Demers attempts to instruct referees, umpires, timers, and scorers in the correct procedures of officiating basketball and volleyball games.

The more adroit club members may take the basketball officiating rating test which is given to RFA each year in hopes of gaining the rank of a national associate official.

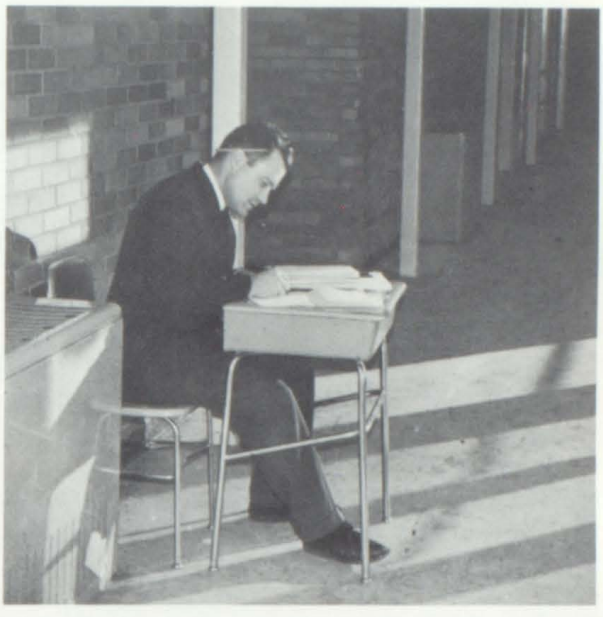
Monitor's Club



One is more conscious of his actions when judged by his equals. This is the motive behind the Monitor's Club. It is the duty of that demure looking student who does his studying in the corridors during classes to keep the halls of Rome Free Academy peaceful. The monitors see that the rules are obeyed and give out information when necessary.

Under the leadership of Richard LaTart, president; Ralph Pezulo, vice president; and Sam Spado, secretary; the Monitor's Club helps keep RFA in order.

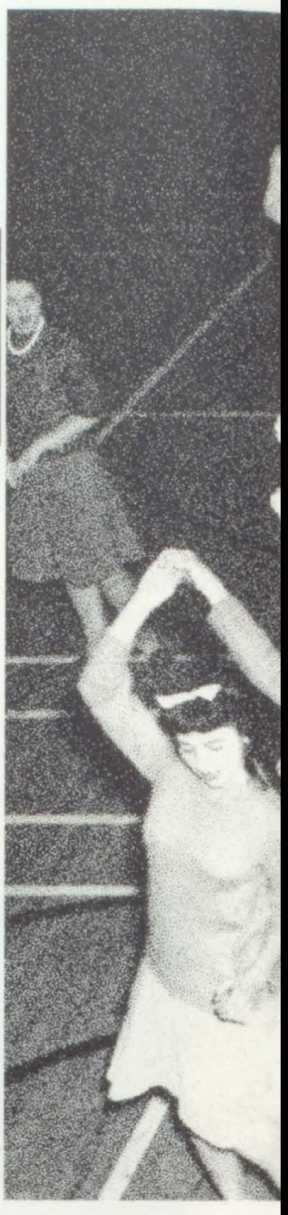
UNDERCLASS



Class Of '69

Anthony Grasso
President

Reena Bucknell
Vice-President

Secretary

Bob Lazovik
Treasurer

The start of the fall term found a group of mellowed sophomores, now as juniors, ready to face the activities of our important junior year. Most were glad to be on the commanding end of the elevator ticket selling and Alma-Mater singing, instead of the receiving end. Under the leadership of Anthony, Reena, Bob, and Kirk, they were able to succeed in the Thanksgiving Drive, Snow Sculpture, and other numerous projects. The highlight of the junior year was the Junior Prom, "Diamonds in the Sky," on January 26. This was a very memorable event thanks to the guidance and efforts of Mrs. Hubbell and the creative ability of the prom Committee.

The P.S.A.T. along with the Merit Scholarship and College Board exams turned the thoughts of the juniors toward college and made them realize their future responsibilities.

The Class of '69 greeted the month of May with immense enthusiasm, for the long awaited class rings. The excitement of these rings seemed to reveal an exciting senior year ahead, whose successes would be great and numerous.

Our Motto

It has been our desire to establish these places as retreats where you may find surcease and relief from the everyday cares of life. We don't want you to look upon them as restaurants, cafes or cabarets, but as havens where you will be assured of relaxation and a pleasant hour or two safe in the port of sincere hospitality.
